

§ 755.9 Termination of contracts.

The Deputy Administrator may consent to the termination of a contract in cases where the parties to the contract are unable to comply with the terms of the contract due to conditions beyond their control, in cases where compliance with the terms of the contract would work a severe hardship on the parties to the contract, or in cases where termination of the contract would be in the public interest, provided the parties to the contract refund such part of the cost-share payments made under the contract as the Deputy Administrator determines appropriate.

§ 755.10 Noncompliance.

(a) Failure to establish the practices specified in the contract within the time specified by the county committee shall be a violation of the contract and all payments under the contract shall be forfeited and refunded.

(b) Failure to maintain a practice for the contract period or the normal lifespan of the practice, whichever is shorter, in accordance with good farming practices shall be a violation of the contract and any payment made in connection with such practice shall be refunded unless the practice is restored within the time prescribed by the county committee. The normal lifespan of a practice shall be determined by the county committee.

(c) If the county committee finds that any person has adopted or participated in any practice which tends to defeat the purposes of the program, it may withhold, or require to be refunded, all or any part of cost-share payments paid or payable under the program. It shall be considered a practice defeating the purposes of the program if the contract signers do not make available for public use a recreation resource development for which costs are shared. The regulations governing nondiscrimination in federally assisted programs of the Department of Agriculture, part 15 of this title, shall be applicable to this program.

§ 755.11 Signatures.

Signatures to contracts and related forms shall be in conformity with the instructions on signatures and authorizations applicable to the Agricultural Conservation Program.

§ 755.12 Filing of false claims.

The making of a fraudulent representation by a person in the payment documents or otherwise for the purpose of obtaining a payment from the county committee shall render the person liable, aside from any additional liability under criminal and civil frauds statutes, for a refund of the payments received by him with respect to which the fraudulent representation was made.

§ 755.13 Delegation of authority.

No delegation in this subpart to a State or county committee shall preclude the Administrator, or his designee, from determining any question arising under the program or reversing or modifying any determinations made by a State or county committee.

§ 755.14 Reporting performance.

The Operator of the farm, in accordance with instructions issued by the Deputy Administrator, shall report to the county committee on Form ACP-245 the extent of compliance with the terms of the contract.

§ 755.15 Handling exceptional cases.

The Deputy Administrator may allow payment for performance not meeting all program requirements, where not prohibited by statute, if in his judgment such action is needed to permit a proper disposition of the case. Such action may be taken only where the person acted in good faith and in reasonable reliance on any instruction or commitment of any member, or employee of the State or county committee or representatives of other Federal agencies assigned responsibility under the program, in meeting his obligations under the contract and in so doing reasonably accomplished the purposes of the contract. The amount of the payment shall be based on the actual performance and shall not exceed the amount to which the person
